Wow...my mind is going. Yes, I did save it...it is in this directory and is labeled "raw data"  
I:\ASQAB\_AT Team\dimock rc\Reg 6

Did you still have another question for me?

Hi Robin,

I asked Stevie about the Region 6 raw data and she said you should have it in a directory somewhere. Which directory is it in? I need to verify that it was copied over to L: Thanks!

Christy, I hope this message isn't a duplicate, but, we need to have one more correction made in the 12SF073 report. There is a discrepancy with a sample date (see report below). Would you be able to respond to the three questions in the report and then submit an amended report? Please give me a call if any of this doesn't make sense.

thanks!  
robin
